

Item required to assemble the game board:

- TAPE

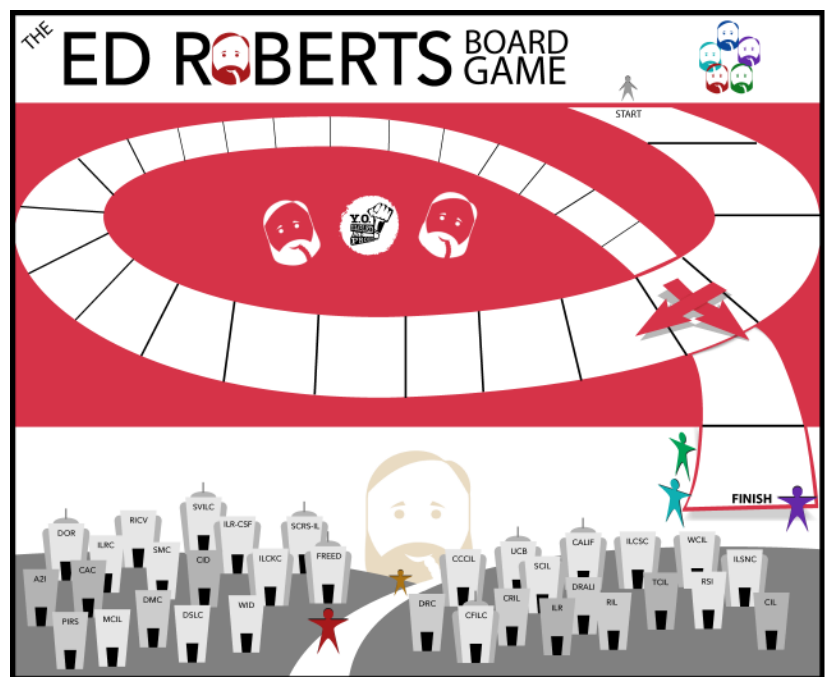

How to assemble the game board:

Fold over the margins indicated on the tile and tape it to the white unprinted area on the tile instructed.

Game board assembly PRO-Tips:

- Use the black surrounding border and other graphics to line up the tiles perfectly.
- When printing select "Fit to page" or "Scale to page".
- Start by laying down tile #2 first then tile #5 and work your way out.
